

Expression of Interest

Expression of Interest for Requirement of MPLS-VPN based connectivity at anywhere in State of Gujarat for connecting these locations to Gujarat State Wide Area Network (GSWAN).

Gujarat Informatics Limited (GIL) on behalf of Department of Science & Technology, GoG invites Expression of Interest (EoI) for providing following:

- (1) MPLS-VPN based connectivity and service delivery points at anywhere in State of Gujarat.
- (2) VPN over broadband connectivity at anywhere in State of Gujarat.

The Expression of Interest may be submitted to the address given below in sealed cover as per requirement. The interested agencies may be called for the presentation to highlight the significant aspects of their offered solution.

The last date of submission of proposal is 21-02-2012 up to 1700 hrs.

There is no commitment of order from this proposal. GIL/DST reserves the right to float the separate RFP for the same.

In case of any clarifications required, please contact Sr. Manager (FM), GIL at below address:

Expression of Interest

SCOPE OF WORK

Objective:

DST, Govt. of Gujarat desire to provide

- (1) MPLS-VPN based connectivity (including last mile connectivity with equipment, installation and commissioning) at anywhere in State of Gujarat for connecting these locations to GSWAN.
- (2) MPLS-VPN over broadband at anywhere in State of Gujarat for connecting these locations to GSWAN.

Bidder has to provide the MPLS-VPN connectivity at the various locations. The dedicated bandwidth required will be as per the requirement of application and user.

Activities:

1. GoG intends to connect all these Locations with State Centre (Gandhinagar) for Data/Video/Audio using MPLS Layer 3 routing.
2. Bidder should provide Multi Protocol Label Switching MPLS-VPN connectivity for all the locations of Customer on a rental basis.
3. Bidder should do Implementation and Maintenance of the necessary network infrastructure and related hardware equipments for the above mentioned connectivity.

PROPOSAL

Your proposal should specify following:

❖ **Technical Proposal:**

1. Company profile including
 - Turnover of last three year with balance sheet.
 - Telecom and regulatory license
 - MPLS back bone capability
 - MPLS Foot prints in Gujarat with Class of Services (CoS) offering at Point of Services (PoS).
 - VPN over broadband foot print (minimum 512 Kbps) in Gujarat covering all locations.

Expression of Interest

- Customer list with point to point/MPLS-VPN/Internet bandwidth connectivity provided.
2. End to End Quality of service should be possible.
 3. Capability and feasibility to provide MPLS-VPN based connectivity at the various locations in state of Gujarat with Class of Service (CoS) offerings.
 4. Approach for providing this connectivity to the locations with various last mile connectivity options like Fiber, Copper, RF etc. with project management plan and time schedule.
 5. Approach to connect these locations with GSWAN with project management plan and time schedule.

❖ Commercial Terms & Condition

1. Terms and conditions including bandwidth commitment, payment terms, possible SLA & penalties, uptime commitment, rate validity and minimum bandwidth commitment (number of MPLS-VPN connectivity with minimum dedicated bandwidth offered)
2. Minimum Installation/Commissioning time required after getting order.
3. Help desk/support service mechanism order (via internet/ phone/ email etc)
4. Dashboard with login service if any for viewing online usage requirement & grievance redressal.
