

RFP for Supply, Installation, Configuration, Integration and Commissioning of Mobile Communication Office Vehicle (MCOV) prepared by GIL in consultation with Office of the ADGP & Commissioner (Technical), Home Department, Government of Gujarat (RFP.NO. GIL\H&N\ADGP (TS) – HD\MCOV\2017-18 – 3)

Responses to the Pre-bid Queries

Sr. No.	Product/ Clause /Section	Page no.	RFP Description/Clause	Amendment/Clarification Required by vendor	Response to the queries
1	As per RFQ, page#16, under the Clause# 6, "technical specifications for the equipment" As per #6.1.1		Vehicle Equipment specifications #1, 16: The vehicle shall accommodate "NLOS Wireless Body worn camera". However we haven't found the detailed specifications in the RFQ.	As this was part of RFQ last time, we would again request GIL and IGP (TS) – Gujarat Police to list out the specifications as per the RFQ published Last time.	As per the RFP
2	As per RFQ, page#28, under the Clause# 6,		"technical specifications for the equipment" As per #6.3.1, Integrated Communication System to patch various Communication technologies #36, "Configuration Software: Configuration software shall be provided that runs on a Windows-based PC (XP/W7) that can be interfaced to the electronics directly."	We would request you to kindly remove Windows-based PC "(XP/7)" from this specifications as these OS are no more available in the market.	Bidder shall provide latest version of Operating systems for proposed Desktops / Workstations / Servers
3	As per RFQ, page#34, under the Clause# 6, "technical specifications for the equipment" As per #6.4.5,		"Backhaul Connectivity & related infrastructure: Bidder is required to propose the backhaul broadband connectivity either from Satellite (BGAN) or from VSAT with the entire required infrastructure. Bidder has to consider the cost of onetime capital cost related to infrastructure (i.e. Antenna, cables, etc.) & Operational expenditure related to bandwidth for monthly and yearly charges.	We would request you to kindly consider changing the scope to "Bidder has to consider the cost of onetime capital cost related to infrastructure (i.e. Antenna, cables, etc.) & Operational expenditure related to bandwidth for monthly and yearly charges would be borne by Gujarat Police."	As per the RFP
4			Tethered Drones have been removed. We would request you to kindly consider accepting this as a part of "Tethered Drone with gyro stabilized HD Camera Payload and the Ground control Station (GCS)". The requirement of Tethered drones was deliberated in the earlier meetings. We would request GIL to reconsider the decision of removing this component.		As per the RFP
5	As per RFQ, page#56, under the Section 3 #1		"Delay in delivery & Implementation related penalty : In case of delay in delivery of licenses and implementation, the penalty of 1% of contract value per delayed week will be levied up to maximum of 10% of contract value."	We would request you to kindly consider changing the terms to standard one "penalty of 0.5% of contract value per delayed week will be levied up to maximum of 10% of contract value.	As per the RFP
6	As per RFQ, page#60, under Article #15,		Bid shall be valid for 12 months after the date of Financial Bid opening prescribed by GIL. We request to kindly allow us to give a validity of 180 days. This is a standard validity asked by Govt. offices.		As per the RFP
