Item No. 3 and 4 - Printers

Sr. No.	ITEM	Qty. (In Nos.)	Unit Prices with 3 Years Warranty (In Rs. Without tax)	Total Price with 3 Years Warranty (In Rs. Without tax)	Rate of GST (%)
A	B	C	D	E=C*D	F
3.	A4 size Duplex Mono Laser printer	709			
3.1	Commercial Cartridges for quoted A4 size Duplex Mono Laser printer, which can print total 1,06,35,000 pages	1			
3.2	Imaging drums for quoted A4 size Duplex Mono Laser printer, which can print total 1,06,35,000 pages	1			
4.	Multifunctional Laser Printer (Print, Scan, Copy, Fax)	269			
4.1	Commercial Cartridges for quoted Multifunctional Laser Printer, which can print total 40,35,000 pages	1			

4.2	Imaging drums for quoted Multifunctional Laser Printer, which can print total 40,35,000 pages	1			
GRAND TOTAL					
Note: Successful bidder will be decided based on the quoted lowest sum total of rates without tax for Item No. 3 and 4 – Printers as above table.					

Note:

1. For all above mentioned printers, in unit rates, bidder has to quote total rates of total nos. of cartridges which can print total 1,06,35,000 (15,000 * 709) pages in case of A4 size Duplex Mono Laser printer and 40,35,000 (15,000 * 269) pages in case of Multifunctional Laser Printer. Bidder will have to upload undertaking letter for no. of cartridges quoted to print total required pages. Bidder will also have to mention the yield of the quoted cartridge. Unit price of the Cartridge will be derived as below:

= Amount of cartridges required to print total number of pages as mentioned above / no. of cartridges quoted to print total number of pages as mentioned above.

Purchasing department may procure the additional cartridge at the unit rates calculated above as per their requirements during the contract period of 3 years.

2. In case, OEM choose to quote printer, which is having Imaging drum separately & cartridge, then both are required to be change after certain prints. In that case, for all above mentioned printers, in unit rates of imaging drums, bidder has to quote total rates of total no. of imaging drums which can print total 1,06,35,000 (15,000 * 709) pages in case of A4 size Duplex Mono Laser printer and 40,35,000 (15,000 * 269) pages. Bidder will have to upload undertaking letter for no. of imaging drums quoted to print total required pages.

= Amount of imaging drum required to print total number of pages as mentioned above / no. of imaging drum quoted to print total number of pages as mentioned above.

Purchasing department may procure the additional imaging drum at the unit rates calculated above as per their requirements during the contract period of 3 years.

3. Above mentioned requirements of Commercial Cartridges & Imaging Drum are indicative and for evaluation purpose only. However, at the time of issue of work, the actual quantity will be considered based on the requirements.

4. GIL does not give guarantee for order quantity. During the contract period, purchasing department / office may place the purchase order for their requirements of Commercial Cartridges & Imaging Drum to successful bidder as per their requirements.

5. All the above items should comply with the technical and functional requirement of the RFP/Bid.

6. Above items are inclusive of cable & accessories required, if any.

All other bid terms & conditions and technical specifications remain unchanged.
