

**Date: 16.04.2018**

## **Corrigendum-2 in Tender No. HWT050318487**

### **Important Instructions to Bidders:**

The bidder will have to integrate the quoted products with currently using ILMS SOUL 2.0 through SIP2 / NCIP protocols. At the time of Technical Evaluation stage, bidder will require the arrange for the demonstration of their quoted products in this bid for the integration with SOUL 2.0 through SIP2 / NCIP protocols at customer site i.e. IITE, Gandhinagar or the other site where they have implemented such RFID system and integrated with SOUL 2.0.

Upon successful demonstration of qualified products, the financial bid of those technically qualified bidders will be opened. The products which will not match the requirements and can't be able to integrate with SOUL 2.0, will not be considered further for the financial bid opening and will be disqualified technically.

The Bidder will have to bear all the costs associated with arrangement of the demonstration of the product integration with SOUL 2.0 and IITE / GIL in no case will be responsible or liable for these costs.

**All other Bid terms & conditions and technical specifications remained as per bid document & corrigendum dated 10.04.2018.**
