As per the provisions of the circular, the transition to the new tender framework was required to be completed by 01.04.2026. However, requests have been received from various departments seeking an extension of the existing tender period to facilitate the smooth and orderly completion of the transition process. Considering the above and to avoid any disruption in ongoing services, it is proposed to treat this as a special case.

Accordingly, the existing tender bearing no. HRM2803202202 is hereby extended for a further limited period up to 31.08.2026, strictly for the purpose of completing the transition to the new tender only. It is further clarified that departments which have already completed the transition, as well as any new manpower requirements raised henceforth, shall be governed strictly by the terms, conditions, and rates of the new tender only.

All concerned are requested to ensure that the transition process is completed within the stipulated extended timeline, and no further extension shall be considered.

This letter is issued with approval of Chairman, GIL on file.
