

**Corrigendum 3 in Tender No. HWT290818510**

**1. Please read revised Eligibility Criteria regarding past experience as follows:**

Bidder must have experience of supply, installation & maintenance of Storage System. Bidder should have received and executed at least 2 work orders of above mentioned work of minimum value of Rs. 1 Crore each **in last 5 years**. Customer references & Purchase orders must be attached along with the bid. (Form no. E-4)

**In place of**

Bidder must have experience of supply, installation & maintenance of Storage System. Bidder should have received and executed at least 2 work orders of above mentioned work of minimum value of Rs. 1 Crore each **in last 3 years**. Customer references & Purchase orders must be attached along with the bid. (Form no. E-4)

**2. Please read revised OEM Eligibility Criteria regarding Gartner Report as follows:**

OEM for Storage System should consistently feature in leadership position in the “Gartner Magic Quadrant for General Purpose Disk Arrays” for last three years (2015, 2016 & 2017). Documentary proof to be submitted for the same.

**In place of**

OEM for Storage System should be in the Leadership / Challengers / Visionaries quadrant in the latest available Gartner Magic Quadrant (Magic Quadrant for General Purpose Disk Arrays) OR should be among the top Five positions in terms of worldwide market share as per latest available IDC report. Documentary proof to be submitted for the same.

**3. Please read revised Technical Specifications regarding Management Console of Storage System as follows:**

Management Console	<ul style="list-style-type: none"> <li>• A single/<b>multiple</b> command console for entire storage system.</li> <li>• The Solution should allow role-based access, audit logs, performance monitoring and other general operations and administration capabilities through GUI/CLI.</li> <li>• Minimum features of Management software should be:             <ul style="list-style-type: none"> <li>▪ System Status i.e. CPU, Memory, Disks, Network resources, Cache, etc.</li> <li>▪ Display total, allocated and utilized capacity</li> <li>▪ Role based user access management, disk quota management, user groups</li> <li>▪ Volume Copy feature &amp; license</li> <li>▪ Firmware upgrade</li> <li>▪ Display hardware details of drives, controller, connectivity, ports, etc.</li> <li>▪ System audit Logs</li> <li>▪ Should generate alert/notification</li> <li>▪ Reports – Scheduled <b>or</b> Manual</li> <li>▪ Historical graphs/<b>logs</b> of storage performance utilization <b>for at least one quarter</b></li> </ul> </li> <li>• Should display capacity utilization, RAID, Alarms event and notifications.</li> </ul>
--------------------	---

**4. Revised Payment Terms:**

**Payment:** Payment for Goods and Services shall be made by Purchasing Department in Indian Rupees as follows:

- I. No advance payment will be made.
- II. 70% payment after successful inspection / physical verification & delivery of the ordered goods at specified location. The inspection / physical verification will be done as decided by GIL.
- III. 20% payment will be made after completion of installation, commissioning, configuration, successful completion of FAT & user's functional training as per the scope of work.
- IV. Balance 10% payment will be made in 4 equal installments advance during every year starting from 2nd year from the date of FAT.

**5. Please read revised Technical Specifications regarding Capacity of Storage System as follows:**

Capacity	<ul style="list-style-type: none"><li>• Total Usable capacity should be 250 TB from Day one.</li><li>• The Storage capacity mentioned is the Usable capacity in RAID 6 or equivalent Configuration.</li><li>• Disks should be minimum of 7.2 K or higher RPM with 6TB or higher capacity NL SAS drive.</li><li>• Should support encryption either at controller or at Disk level.</li></ul>
----------	---

**All other terms & conditions and Technical Specifications remain unchanged.**
