
**CORRIGENDUM IN RFP.NO. GIL\POLICE STATION\VIDEO
SURVEILLANCE\2018-19 DATE: 12.10.2018
DATED 31.12.2018**

Note: while quoting the bid, bidders are requested to take a note as below:

- In the existing Police Station CCTV System have VMS software which has installed in the Police Station server as well as Remote monitoring system Server. By this kind of solution, we can access all Police Station CCTV Camera, export the footage of camera and live view of camera at remotely.
- Mainly our purpose to integrate this both system (PS and SP Office) is to view CCTV Camera remotely as well we can access the HDD of Police Station CCTV System to exporting desire footage at remotely. So, we required this kind of solutions.
- Bidder can install another software to Remote Monitoring System (RMS) for this solution.
- VMS Software license can be quote in BOQ Sr. 5.
