Terms & Conditions			
8	15. The Successful bidder has to submit Performance Bank Guarantee @ 10% of total order value within 15 days from the date of issue of Purchase order (for warranty period + extra 3 months).....	The Successful bidder has to submit Performance Bank Guarantee @ 5% of total order value within 15 days from the date of issue of Purchase order (for warranty period + extra 3 months)	Suggestion not accepted
43" or higher LED TV			
9	Brightness: 300 nits or higher	On the basis of our experience as manufacturer & past government orders, we request you to add brightness 400 nits or above. Considering the ambient conditions in remote areas classrooms, We recommend high brightness. Addition of brightness in TV will help to ensure good quality products as many low brand and Chinese makes are not declaring /manufacturing high brightness to manipulate features to get price advantage.	Suggestion not accepted
10	Input & Output: HDMI-2, Audio in & out, 2 USB- which can be provided using 1 * 2 multiplier extension, RJ 45/RS 232	Request to add : .Input & Output: VGA Port to connect without HDMI Laptop and Desktop you can use TV through VGA port.	Suggestion not accepted
11	Should be certified for BIS	We request you for UL certified product. As the product is going to be use by woman and children, it must be safe and nonhazardous.	Suggestion not accepted
12		BIS certification on the manufacturer name.	Suggestion not accepted
13		Should be BIS or IS 13252(Part 1) and BIS certified at the time of supply. BIS standard test will be done by BIS approved lab and they will do the test for IS 13252(Part 1) which will be file for the BIS listing. As listing takes time we are request to allow at the time of supply.	Suggestion not accepted
14	Note: Bid requirement is TV only; Professional display monitor will not be allowed to quote in the bid	why only TV ? Why GIL is not allowing the Prof Display Monitor for the bid. Same thing we had discussed earlier also for one of the GIL Tender ? Because as per the Technical Requirement of the Tender, both categories (TV & Prof LED Video Monitor) – should be allowed, So that Fair Competition can happen. And Prof LED Video Monitors are more rugged and durable with Economic Pricing. So we request you to consider the LED VIDEO MONITORS also in the Tender.	Suggestion not accepted
