The formula will be $Fb = (1 - F)*100$. F will be a positive number when premium is quoted and will be a negative number when discount is quoted.

- **Evaluation of the bid:**

The bidding process will have two stages. In the first stage, Technical bids will be evaluated as per the qualifying criteria given with this document. Minimum score to qualify in the Technical Bid will be 60 marks. Financial Bids of only those who qualify in the technical bid stage will be opened. For the overall evaluation, weightage to the Technical and Financial Bid will be as follows:

- I. 30% weightage is to be given to technical proposal submitted by bidder
- II. 70% weightage is to be given to financial offer schedule submitted by bidder.

For Technical Score:

$$T_n = T_b / T_{max} * 100$$

Where

T_n = normalized technical score for the bidder under consideration
T_b = absolute technical score for the bidder under consideration
T_{max} = maximum absolute technical score obtained by any bidder

For Financial Score:

$$F_n = F_b / F_{max} * 100$$

Where

F_n = Normalized financial score of the bidder under consideration
F_b = Value arrived from the financial offer
F_{max} = Maximum F_b from amongst the bidder

Overall Score:

$$B_n = 0.3 * T_n + 0.7 * F_n$$

Where

B_n = overall score of bidder under consideration
