

Corrigendum for response to Pre bid queries

Response to Pre bid queries in bid for Selection of Agency for Supply, Installation, Commissioning and warranty support of various Equipments for the Implementation of Body Worn Camera System at various District or Sub Jail.				
Sr.No.	Tender Points	Requirement as per tender terms	Request for amendment in tender terms	Response
1	Section - 2: Scope of work Point No. 2.1 (a) (Desktop based Video feed management software) pg. no. 6	Bidder is responsible for providing VFMS (Video feed management software) required for viewing and recording live video feeds	4G & Wi-Fi not mention in Tender	Bidder is responsible for providing VFMS (Video feed management software) required for viewing and recorded video feeds
2	Section - 2: Scope of work Point No. 2.1 (c) (Desktop based Video feed management software) pg. no. 6	Recorded video feeds of BWC should be transferred to desktop deployed at each Jail. User should be able to tag particular video feed through Desktop based VFMS solution. The solution should not allow users to edit the tag contents or deleted the tagged video without approval of authorized official. The solution should also have the feature to transfer the tagged video to other external devices for submission of evidence.	If you need to transfer data to a PC, a docking station may be required	Docking Station to be supplied with two(2) / six (6) / ten (10) slots to attend all Body Worn Cameras charging and data transfer simultaneously.
3	Section - 2: Scope of work Point No. 2.1 (i) (Desktop based Video feed management software) pg. no. 7	The software should be capable of accepting inputs from cameras of other OEMs, and it should be able to integrate and work with all type of body worn cameras available in the market.	Another Software not supports on our device.	clause To be removed
4	Section - 2: Scope of work Point No. 2.1 (j) (Desktop based Video feed management software) pg. no. 7	The Desktop based video feed management software should be able to play back a GPS record of the Device related to the footage.	Other software is used for GPS playback and is not included in the VMS	Kept as optional
5	Section - 2: Scope of work Point No. 2.1 (k) (Desktop based Video feed management software) pg. no. 7	The Desktop based video feed management software should support redaction (audio/video) of footage within the application without permanently modifying the original footage (so that evidence value is not diminished), Below mentioned feature should support by third party components or through offered software: 1. Blur/redact the image or part of image on specific parameters (i.e. children etc.) 2. Overlay a spotlight 3. Annotations to highlight parts of the video 4. Video Stabilization 5. Change Format	This feature is not available in the desktop software	The Desktop based video feed management software should support redaction (audio/video) of footage within the application without permanently modifying the original footage (so that evidence value is not diminished), Below mentioned feature should support by third party components or through offered software: 1. Blur/redact the image or part of image on specific parameters (i.e. children etc.) 2. Overlay a spotlight 3. Annotations to highlight parts of the video 4. Video Stabilization 5. Change Format
6	Section - 2: Scope of work Point No. 2.1 (l) (Desktop based Video feed management software) pg. no. 7	The Desktop based video feed management software should be able to report a complete view of all information/data that is shared as well as provide historical information on the sharing of files.	What type of audit do they need?	no changes as per RFP.

7	Section - 2: Scope of work Point No. 2.1 (m) (Desktop based Video feed management software) pg. no. 7	Each file generated by the Desktop based video feed management software should be unique and generated from pertinent elements of metadata associated with the file. The format of such naming conventions will be defined during design to meet various Jail requirements and will be universal across the Desktop based video feed management software.	What type of audit do they need?	no changes as per RFP.
8	Section - 2: Scope of work Point No. 2.1 (n) (Desktop based Video feed management software) pg. no. 7	The Desktop based video feed management software must record all audit information to prove 'chain of custody' over evidence, through a permanent and time-stamped complete audit trail of all attributes and actions.	What type of audit do they need?	no changes as per RFP.
9	Section - 2: Scope of work Point No. 2.1 (o) (Desktop based Video feed management software) pg. no. 7	Metadata based Grouping: Proposed system should allow grouping based on the parameters like event date/time/location of video/audio/images. Further, it is not a pre-requisite for the submission of the bid, however, the successful bidder will have to showcase the same at the time of FAT.	What type of audit do they need?	no changes as per RFP.
10	Section - 2: Scope of work Point No. 2.1 (p) (Desktop based Video feed management software) pg. no. 7	The Desktop based video feed management software should have advance search capability allowing users to search and generate device/GPS location/perimeter/user/any other parameter wise various comprehensive MIS reports w.r.t to stored data, activities performed etc	What type of audit do they need?	no changes as per RFP.
11	Section - 2: Scope of work Point No. 2.2 (i) (Body worn Cameras) pg. no. 8	1. Disrupted video file is still readable if a device malfunction during recording 2. Audio & Video is still recorded if the camera malfunctions	This isn't practical. How can they record anything if the device malfunctions?	clause To be removed
12	Section - 2: Scope of work Point No. 2.2 (p) (Body worn Cameras) pg. no. 8	Should have physical buttons like Power on/off, Audio/Video Recording, snapshot, SOS etc.	SOS will be compatible with the Control Centre if a 4G device is purchased.	Should have physical buttons like Power on/off, Audio/Video Recording, snapshot, SOS etc.
13	Section - 2: Scope of work Point No. 2.2 (q) (Body worn Cameras) pg. no. 8	Cameras should support low light night vision for optimal view at night are accepted. No IR required.	Our device is equipped with IR functionality	no changes as per RFP.
14	Section - 2: Scope of work Point No. 2.2 (s) (Body worn Cameras) pg. no. 8	1. Locational information (GPS) (The system will source GPS location information from the any mobile device while the camera is recording via a Bluetooth connection to show the path taken while recording.	Not Complied	clause To be removed
15	Section - 2: Scope of work Point No. 2.2 (s) (Body worn Cameras) pg. no. 7	Body worn Cameras	modify your specifications to MHA approved QR's only.	no changes as per RFP.

16	Section - 2: Scope of work Point No. 2.4 (s) (Body worn Cameras) pg. no.10	The docking station should have multiple mounting options (e.g. desk or wall mounted). The docking station should have minimum 6 ports which are able to charge and upload multiple BWC Device data at the same time.	Docking Station all OEM has different option starting from 1,6,8,12,14 slot per Dock request to change one slot per camera if Qty-2 camera than we can provide two single bay dock so its cost and space saving with mt previous Gujarat police experience this is my suggestion	Docking Station to be supplied with two(2) / six (6) / ten (10) slots to attend all Body Worn Cameras charging and data transfer simultaneously.
17	Section - 2: Scope of work Point No.2.2 (s) (Body worn Cameras) pg. no.9	The Body Worn Camera Device should have the ability to automatically tag recorded video with available metadata, for example: • Locational information (GPS) (The system will source GPS location information from the any mobile device while the camera is recording via a Bluetooth connection to show the path taken while recording)	Inbuilt GPS most OEM Offer so request change to inbuilt GPS Jail doesn't allow mobile camera in side prison	clause To be removed
18	Section - 2: Scope of work Point No.2.2 (s) (Body worn Cameras) pg. no.8	a) The Body Worn Camera Device should have the ability to do pre/Post event audio & video recording of Minimum one minute. Should be able to enter into recording mode by just pressing the record button.	Change to PRE/POST UP TO 2 MINUTES MOST OEM OFFER THIS FUNCTION	no changes as per RFP.
19	Section - 2: Scope of work Point No. 2.4 (s) (Body worn Cameras) pg. no.10	d) The docking station should have multiple mounting options (e.g. desk or wall mounted). The docking station should have minimum 6 (ONE SLOT PER CAMERA)ports which are able to charge and upload multiple BWC Device data at the same time.	Every OEM has different dock configuration like 1,6,8,12,14 request to change one slot per camera inRFP BOQ some location has only 2 cameras so 2 singal bay is ideal and cost saving -Please provide duration of storage information	Docking Station to be supplied with two(2) / six (6) / ten (10) slots to attend all Body Worn Cameras charging and data transfer simultaneously.
20	Section - 2: Scope of work Point No. 2.1 (s) (Desktop based Video feed management Software) pg. no.6	Bidder is responsible for providing VFMS (Video feed management software) required for viewing and recording liv video feeds	4G & Wi-Fi not mention in Tender	Bidder is responsible for providing VFMS (Video feed management software) required for viewing and recorded video feeds
21	Section - 2: Scope of work Point No. 2.1 (C) (Desktop based Video feed management Software) pg. no.6	Recorded video feeds of BWC should be transferred to desktop deployed at each Jail. User should be able to tag particular video feed through Desktop based VFMS solution. The solution should not allow users to edit the tag contents or deleted the tagged video without approval of authorized officeal. The solution should also have the feature to transfer the tagged video to other external devices for submission of evidence.	If you need to transfer data to docking station may be required	Docking Station to be supplied with two(2) / six (6) / ten (10) slots to attend all Body Worn Cameras charging and data transfer simultaneously.
22	Section - 2: Scope of work Point No. 2.1 (i) (Desktop based Video feed management software) pg. no. 7	The software should be capable of accepting inputs from cameras of other OEMs, and it should be able to integrate and work with all type of body worn cameras available in the market.	Another Software not supports on our device.	clause To be removed

23	Section - 2: Scope of work Point No. 2.1 (j) (Desktop based Video feed management software) pg. no. 7	The Desktop based video feed management software should be able to play back a GPS record of the Device related to the footage.	Other software is used for GPS playback and is not included in the VMS	Kept as optional
24	Section - 2: Scope of work Point No. 2.1 (k) (Desktop based Video feed management software) pg. no. 7	The Desktop based video feed management software should support redaction (audio/video) of footage within the application without permanently modifying the original footage (so that evidence value is not diminished), Below mentioned feature should support by third party components or through offered software: 1 Blur/redact the image or part of image on specific parameters (i.e. children etc.) 2. Overlay a spotlight 3. Annotations to highlight parts of the video 4. Video Stabilization 5. Change Format	This feature is not available in the desktop software.	The Desktop based video feed management software should support redaction (audio/video) of footage within the application without permanently modifying the original footage (so that evidence value is not diminished), Below mentioned feature should support by third party components or through offered software: 1. Blur/redact the image or part of image on specific parameters (i.e. children etc.) 2. Overlay a spotlight 3. Annotations to highlight parts of the video 4. Video Stabilization 5. Change Format
25	Section - 2: Scope of work Point No. 2.1 (l) (Desktop based Video feed management software) pg. no. 7	The Desktop based video feed management software should be able to report a complete view of all information/data that is shared as well as provide historical information on the sharing of files.	What type of audit do they need?	no changes as per RFP.
26	Section - 2: Scope of work Point No. 2.1 (m) (Desktop based Video feed management software) pg. no. 7	Each file generated by the Desktop based video feed management software should be unique and generated from pertinent elements of metadata associated with the file. The format of such naming conventions will be defined during design to meet various Jail requirements and will be universal across the Desktop based video feed management software.	What type of audit do they need?	no changes as per RFP.
27	Section - 2: Scope of work Point No. 2.1 (n) (Desktop based Video feed management software) pg. no. 7	The Desktop based video feed management software must record all audit information to prove 'chain of custody' over evidence, through a permanent and timestamped complete audit trail of all attributes and actions.	What type of audit do they need?	no changes as per RFP.

28	Section - 2: Scope of work Point No. 2.1 (o) (Desktop based Video feed management software) pg. no. 7	Metadata based Grouping: Proposed system should allow grouping based on the parameters like event date/time/location of video/audio/images. Further, it is not a prerequisite for the submission of the bid, however, the successful bidder will have to showcase the same at the time of FAT.	What type of audit do they need?	no changes as per RFP.
29	Section - 2: Scope of work Point No. 2.1 (p) (Desktop based Video feed management software) pg. no. 7	The Desktop based video feed management software should have advance search capability allowing users to search and generate device/GPS location/perimeter/user/any other parameter wise various comprehensive MIS reports w.r.t to stored data, activities performed etc	What type of audit do they need?	no changes as per RFP.
30	Section - 2: Scope of work Point No. 2.2 (i) (Body worn Cameras) pg. no. 8	1. Disrupted video file is still readable if a device malfunction during recording 2. Audio & Video is still recorded if the camera malfunctions	This isn't practical. How can they record anything if the device malfunctions?	clause To be removed
31	Section - 2: Scope of work Point No. 2.2 (p) (Body worn Cameras) pg. no. 8	Should have physical buttons like Power on/off, Audio/Video Recording, snapshot, SOS etc.	SOS will be compatible with the Control Centre if a 4G device is purchased.	Should have physical buttons like Power on/off, Audio/Video Recording, snapshot, SOS etc.
32	Section - 2: Scope of work Point No. 2.2 (q) (Body worn Cameras) pg. no. 8	Cameras should support low light night vision for optimal view at night are accepted. No IR required.	Our device is equipped with IR functionality	no changes as per RFP.
33	Section - 2: Scope of work Point No. 2.2 (s) (Body worn Cameras) pg. no. 8	Locational information (GPS) (The system will source GPS location information from the any mobile device while the camera is recording via a Bluetooth connection to show the path taken while recording.	Not Complied	clause To be removed
34	Section - 2: Scope of work Point No. 2.2 (s) (Body worn Cameras) pg. no. 7	Body worn Cameras	modify your specifications to MHA approved QR's only.	no changes as per RFP.
35	2.2 Body worn Cameras	Disrupted video file is still readable if a device malfunction during recording	Since if camera hardware malfunctions then its not possible to retrieve the video file and also it depends upon what level of Malfunction occurred in the device. Already in earlier tender this clause was removed in corrigendum	clause To be removed

36	2.2 Body worn Cameras	Audio & Video is still recorded if the camera malfunctions.	Since if camera hardware malfunctions then its not possible to retrieve the video file and also it depends upon what level of Malfunction occurred in the device. Already in earlier tender this clause was removed in corrigendum	clause To be removed
37	2.2 Body worn Cameras	t)Each BWC should be supplied with connector (USB 2.0 or better, HDMI port (optional)) for data transfer/uploading/camera access and other accessories required for successful functioning of the BWC system.	Since every OEM has its own way to transfer data from BW to VMS in a secured manner, request you data transfer through Docking station also. This point was also modified in earlier tender in corrigendum	no changes as per RFP.
38	2.2 Body worn Cameras	p) Should have physical buttons like Power on/off, Audio/Video Recording, snapshot, SOS etc.	SOS button is available only with single OEM and is restricting the participation of other reputed OEMs. Request to amend this clause to enhance participation. This point was also modified in earlier tender in corrigendum	p) Should have physical buttons like Power on/off, Audio/Video Recording, snapshot, SOS etc.
39	2.2 Body worn Cameras	s) The Body Worn Camera Device should have the ability to automatically tag recorded video with available metadata, for example: Locational information (GPS) (The system will source GPS location information from the any mobile device while the camera is recording via a Bluetooth connection to show the path taken while recording) Data and Time Serial number/ID of the camera Details of the current user - Member ID etc. Frame Counter	Frames of the video recorded by the Bodyworn camera is fixed at 25/30 fps. Therefore Frame counter as a separate metadata is not available. Request to kindly amend this clause accordingly to make it better suitable for bodyworn camera application. Also as per our best of knowledge Mobile device is not allowed in Jail so want clarifications and confirmation how GPS data will show path taken while recording	clause To be removed
40	2.2 Body worn Cameras	n) Proposed BWC camera should have storage capable of keeping recording for min. 3-4days. Further it should be supplied with min 32GB SD card /inbuilt memory in camera.	To have better storage retention in the camera and enable longer recording durations, we recommend to have at least 64GB of storage space inbuilt in the camera. Also, kindly remove SD card option for storage as it is unsafe and can be retrieved by unauthorized personnel in case of any unwanted incident in the field. To maintain data integrity and security of the recorded footage, we request to amend the clause to include only onboard memory with AES256 bit encryption.	no changes as per RFP.
41	2.2 Body worn Cameras	Add-on clause	To ensure the bodyworn camera and its firmware is not tampered with and the video recorded by the camera is not altered anytime throughout the process during investigation or submission as evidence in the court, these features are recommended to be incorporated in the device to ensure Data integrity and authenticity.	no changes as per RFP.

GUJARAT INFORMATICS LIMITED

Block No. 2, 2nd Floor,
C & D Wing, Karmayogi Bhavan
Sector - 10 A, Gandhinagar – 382010.
Phone No: 23256022, Fax No: 23238925

**Bid for Selection of Agency for Supply, Installation,
Commissioning and warranty support of various
Equipments for the Implementation of Body Worn
Camera System at various District or Sub Jail.
(Tender No.HW03092025)**

Last Date of Submission of Bid: 18.09.2025 till 1500 hours

Last Date of Submission of Bid Processing Fees & EMD: 18.09.2025 till 1500 hours

Bid Processing Fee: Rs.17,700/-

Introduction

Gujarat Informatics Limited (GIL), on behalf of on behalf of the ADGP (office of the ADGP jails and administrative reforms), Govt. of Gujarat, Gandhinagar (herein after referred as the “TENDERER”) invites the bid for Selection of Agency for providing Body worn Camera system including video feed management software and body worn camera hardware and accessories at various District Jail/Sub Jail.

The selected Agency shall be fully capable and experienced in the work of carrying out Body Worn Camera System including Application Software. The Selected Agency must have trained and certified manpower including technicians capable of carrying out this job. The agency is required to deploy the trained & experienced manpower for this project.

Successful bidder will have to supply, install & perform the acceptance test of the supplied equipment(s) & Application Systems at each location as per terms and conditions of the bid document. Bidder is requested to offer the cost for all the items and all the accessories as mentioned in bid document. GIL does not guarantee any fixed quantity at the time of signing the tender.

Bids are hereby invited from the Bidders having capability and resources in supplying & carrying out Body Worn Camera System at various Jails as per the details in bid. Proposal in the form of BID are requested for the item(s) in complete accordance with the documents to be uploaded as per following guidelines:

- 1) Bidder shall submit their bids
- 2) The Bidder will have to submit the Earnest Money Deposit (E.M.D.) of **Rs. 4,60,000/-** (Rupees Four lakh sixty thousand) (Refundable) stipulated time defined in the bid in a sealed cover at GIL office with the heading “EMD for **Tender No XXXX** for Selection of Agency for providing Body worn Camera system including video feed management software and body worn camera hardware and accessories at various District Jail/Sub Jail.
 - a. EMD as mentioned above, shall be submitted in the form of Demand Draft OR in the form of an unconditional Bank Guarantee (which should be valid up to validity of **9 months** from the date of bid submission) of any Nationalized Bank (operating in India having branch at Ahmedabad/ Gandhinagar) in the name of “Gujarat Informatics Ltd.” payable at Gandhinagar (as per prescribed format given at as per prescribed format given at Annexure A) and must be submitted along with the covering letter.
 - b. Please affix the stamp of your company on the overleaf of demand draft.
 - c. Bidder has to submit Earnest Money Deposit in the form of Bank Guarantee as per below:
"All Nationalized Bank including the public sector bank or Private Sector Banks or Commercial Banks or Co-Operative & Rural Banks (operating in India having branch at Ahmedabad/ Gandhinagar) as per the G.R. no. EMD/4/2022/0002/DMO dated 20/05/2022 issued by Finance Department or further instruction issued by Finance department time to time"
 - d. In case of RTGS, please find below bank details of Gujarat Informatics Ltd
Saving Account No: 50200010918090
IFSC Code: HDFC0000190
Bank Name: HDFC
Bank Branch Address: Sector-16, Gandhinagar

- 3) The bid shall specify time schedule of various activities.
- 4) Bid complete in all respects should be uploaded on or before the Bid due date.
- 5) Interested and eligible Bidders are required to upload the eligibility related document in Eligibility Bid Section, technical related document in Technical Bid Section & commercial bid in Commercial Bid Section. The Bids should be accompanied by a bid security as specified in this Bid Document. The Eligibility, Technical & Commercial Bid must be uploaded to & the Bid Security must be delivered to the office of Gujarat Informatics Ltd.
- 6) **The Bidder may quote only one option (i.e. one product can be quoted) against each item.** Bidders are required to mention Make and Model of the product (Do not write “OEM” against items. Bidders are expected to give the make and model of the product).
- 7) The Bid Security Section and Eligibility Section will be opened on the specified date & time in presence of the committee members and representatives of the bidders who choose to attend. The representative will be held responsible for all commitments made on behalf of the bidder and that will be considered valid for all further dealings related to this tender process.
- 8) Services offered should be strictly as per requirements mentioned in this Bid document. Please spell out any unavoidable deviations, Clause / Article-wise in your bid under the heading Deviations.
- 9) Once quoted, the bidder shall not make any subsequent price changes, whether resulting or arising out of any technical/commercial clarifications sought regarding the bid, even if any deviation or exclusion may be specifically stated in the bid. Such price changes shall render the bid liable for rejection.
- 10) Any representation/clarification will not be accepted till before 72 hrs from the bid submission dated

Section - 1: Eligibility Criteria

Sr. No	Pre-Qualification Criteria	Attachments
1.	The bidder should be a registered company under Companies Act, 1956 and should be in existence in last 5 (five) years in India as on bid submission date.	Copy of the certificate of registration of firm should be enclosed.
2.	The Bidder should have average annual turnover of Rs. 1.15 Crore during last 3 audited financial years (2021-22, 2022-23, 2023-24) from business of IT/ICT/Security Surveillance Solution System Integration. (Form E1)	Copy of the last three years audited financial statements Audited Balance Sheet and CA Certificate.
3.	The bidder must have office in Gujarat. In case, bidders do not have office in Gujarat, bidder should give undertaking to open office in Gujarat within 45 days from the date of empanelment. (Form E2)	Please attach the copy of any two of the following: Property tax bill/Electricity Bill/ Telephone Bill/VAT/CST Registration/ Lease agreement.
4.	The bidder should have implemented/ongoing at least 1 (one) IP CCTV Surveillance system (setting up or O&M) /Body Worn Camera system (setting up or O&M) projects in last 5 (five) years as on bid submission date having a minimum value of 1.84 Crore or TWO projects having a minimum value of Rs. 1.15 Crore each. (Form E3) Three projects having a minimum value of Rs. 0.92 Crore.	Details of such projects undertaken on Bidder's letter head along with clients' on-going/completion certificate/ letter stating project value and work completion status should be enclosed.
5.	"The OEM/Body Worn Camera Product Company should have implemented at least 583 Body Worn Camera in a single project (of quoted Body worn camera brand in last 5 (five) years as on bid submission date. (Form E4)	Details of such projects undertaken along with work order or contract agreement or client certificate confirming clause requirement
6.	OEMs of proposed equipment/components should have their own registered office in India as per the prevalent/ applicable laws of India and be in operation in India. In case, OEM do not have office in India, OEM should give undertaking to open office in India within 90 days (3 months) from the date of PO. Registered offices by way of Joint ventures, Franchise, agency, distribution partners will not be considered (Form E5)	Supporting Document: OEM Undertaking on its letter head along with copies of supporting documents any two of the following: Property Tax Bill /Electricity Bills /Telephone Bills /VAT Registration/ CST Registration/ Valid Lease Agreement/certificate of incorporation, confirming the compliance to the clause requirement
7.	In case bidder is not an OEM then an authorized undertaking will be required from the OEM stating that OEM will discharge all responsibilities under warranty for the period indicated in the contract, in case the bidder fails to do the same for any reason. (Form E6)	OEM Undertaking on its letter head duly signed by authorized signatory
8.	Bidder and OEM should not be blacklisted/debarred by any Ministry of Government of India or by Government of any other State in India or by Government of Gujarat or any of the Government PSUs in last three years.	Self-Declaration as attached/affidavit

9.	<i>“Bidder is required to submit the undertaking as per the Department of Expenditure, Government of India guidelines on procurement dated 23.07.2020 to confirm that, all the quoted product Make under this bid are not from a country which shares a land border with India or, of if from such a country, quoted product/OEM have been registered with competent authority. The Performa for undertaking is enclosed with bid Annexure A for Bidder & Annexure B for concern OEM. Bidder and OEM is required to submit the undertaking on bidder’s & OEM letter head with authorized stamp and sign for all quoted product.</i>	Undertaking on bidder and all relevant OEM letter head with authorized sign and stamp
----	--	--

Note:

- (i) Consortium is not allowed for bidding in this bid.
- (ii) The Bidder must attach valid documents in support to their Technical and Financial capabilities/strength, as mentioned above. Without proper supporting documents, the Bid proposals are liable to be rejected.
- (iii) All the proposed equipment should not be declared End-of-Support by the OEMs for next 5 years and should not be end of production for next one year from the date of bid submission.
- (iv) The MAF is required for Body worn Cameras ~~& Docking Station~~ items being supplied under this project.
- (v) Eligibility criteria mentioned in this document will be consider

Section - 2: Scope of work

The office of ADGP (office of the ADGP jails and administrative reforms) has planned to implement the Body Worn Camera Systems at various jail in the state of Gujarat by providing Body worn cameras to the various jail staffs. The Bidder under the scope of work in this RFP is envisaged to design the solution including but not limited to Supply, Installation and Commissioning of Equipment's/hardware, software required for the successful Implementation of Body Worn Camera System at various locations spread across the state (herein after referred to as the "SITE"), on behalf of the "TENDERER" as per the functional and technical specifications, scope of work mentioned in this Bid document. The bidder shall be responsible for implementation of the work as defined in the bid document.

Bidder is responsible for supply, installation, commissioning, training and warranty of all the required components of BWC system like Body worn camera, Video Feed Management System, Work Stations, Docking/charging station, Storage, etc. along with its accessories for successful running of the system.

2.1 Desktop based Video feed management software

- a) Bidder is responsible for providing VFMS (Video feed management software) required for viewing and recording live video feeds.
- b) Bidder shall be responsible for providing all the required licenses (perpetual) in the name of TENDERER valid for life with all kind of supports, updates and upgrades.
- c) Recorded video feeds of BWC should be transferred to desktop deployed at each Jail. User should be able to tag particular video feed through Desktop based VFMS solution. The solution should not allow users to edit the tag contents or delete the tagged video without approval of authorized official. The solution should also have the feature to transfer the tagged video to other external devices for submission of evidence.
- d) Bidder will also be responsible for providing required hardware for hosting of this local/desktop based software with storage able to store recorded data (Image/Video/Audio) of 90days duration at each of the Jails.
- e) It will be used for storing, viewing of live and recorded images, videos & audio and Tagging for search and uploading the data earmarked for the evidence purpose to the desktop-based software.
- f) Docking station will automatically start the charging as well as transferring of the recorded data once BWC device attached with it.
- g) During the contract period any change that is required by department will be incorporated by SI/Bidder without any additional cost.
- h) It should have minimum following functionalities/features.
 - i. Login & Role based access with Audit Trail for all the software operations.
 - ii. Can Cut, Copy the image, videos & audio from the body worn camera device and store the same on local system/server with the relevant information like date & time stamp, location, GPS data etc.

- iii. One can search the videos based on the recorder (whom the camera was assigned using which the recording happened), Date & Time, and incident,
- i) The software should be capable of accepting inputs from cameras of other OEMs, and it should be able to integrate and work with all type of body worn cameras available in the market.
 - j) The Desktop based video feed management software should be able to play back a GPS record of the Device related to the footage.
 - k) The Desktop based video feed management software should support redaction (audio/video) of footage within the application without permanently modifying the original footage (so that evidence value is not diminished), Below mentioned feature should support by third party components or through offered software:
 - Blur/redact the image or part of image on specific parameters (i.e. children etc.)
 - Overlay a spotlight
 - Annotations to highlight parts of the video
 - Separate the audio and video portions of the file
 - Noise Reduction
 - Video Stabilization
 - Change Format
 - l) The Desktop based video feed management software should be able to report a complete view of all information/data that is shared as well as provide historical information on the sharing of files.
 - m) Each file generated by the Desktop based video feed management software should be unique and generated from pertinent elements of metadata associated with the file. The format of such naming conventions will be defined during design to meet various Jail requirements and will be universal across the Desktop based video feed management software.
 - n) The Desktop based video feed management software must record all audit information to prove 'chain of custody' over evidence, through a permanent and time-stamped complete audit trail of all attributes and actions.
 - o) **Metadata based Grouping: Proposed system should allow grouping based on the parameters like event date/time/location of video/audio/images. Further, it is not a pre-requisite for the submission of the bid, however, the successful bidder will have to showcase the same at the time of FAT.**
 - p) The Desktop based video feed management software should have **advance search capability** allowing users to search and generate device/**GPS location/perimeter**/user/any other parameter wise various comprehensive MIS reports w.r.t to stored data, activities performed etc.

2.2 Body worn Cameras

- a) Bidder shall also be responsible to Supply, Installation, Commissioning & warranty support of Body Worn Cameras for the use of Jail personnel/staff location spread across the State.
- b) **The body worn camera must have unique identifier (ID) e.g. serial number on the original manufacturer's level.**

- c) The Body Worn Camera Device must have uniform mounting options (clips, fastening, others), to enable mounting on a variety of Gujarat Jail operational uniforms, including jail officer shirt, Commando Uniform, Raincoat, High visibility vest, Plain Clothes. Chest mounting platforms shall be compatible with both male and female body types. The viewpoint must be adjustable for different body heights.
- d) The Solution must support the ability for the user to detach Body Worn Camera Device and set up on a table/other surface to independently record (i.e. the member does not have to hold it).
- e) The camera field of view should be adjustable/fixed when attached to the user to ensure the best video evidence is captured regardless of the user's shape, size or their other equipment demand.
- f) The Body Worn Camera Device should be light weight and should not emit appreciable levels of heat during use and standby.
- g) Field of view: Minimum 100 degree or better
- h) Should support mic for voice recording and audio play back
- i) The Body Worn Camera Device should have measures in place to protect data in following events:
 - ~~Inability to hack or be affected by a virus (e.g. by using encryption)~~
 - No data is lost due to power failure
 - Not possible to overwrite data once recording capacity is reached
 - ~~Disrupted video file is still readable if a device malfunction during recording~~
 - ~~Audio & Video is still recorded if the camera malfunctions.~~
 - SD card data should be encrypted format
 - SD card data should not be extracted without docking station
 - **Prevent un-authorize access to data directly from device**
- j) The Body Worn Camera Device should have batteries, which are replaceable. Fully charged Battery should function for minimum 12 hours, when camera is on recording mode.
- k) Proposed camera should be ruggedized and it should function in extreme weather conditions, Shock resistant, being dropped (Min. 2mtr) or stepped on, Water & dust resistant (Ingress Protection of IP66 or better).
- l) The Body Worn Camera Device should be able to capture video and still images in varying resolution SD (480p), HD (720p), FHD (1080p) with video at 30 frames per second or greater.
- m) **The body worn camera should function within the operating temperature range of 0 to 50 Degree Celsius**
- n) Proposed BWC camera should have storage capable of keeping recording for min. 3-4days. Further it should be supplied with min 32GB SD card /inbuilt memory in camera.

- o) The Body Worn Camera Device should have the ability to do pre event **audio & video** recording of **Minimum one minute**. Should be able to enter into recording mode by just pressing the record button.
- p) Should have physical buttons like Power on/off, Audio/Video Recording, snapshot, ~~SOS~~ etc.
- q) Cameras should support low light night vision for optimal view at night are accepted. No IR required.
- r) The Body Worn Camera Device should be able to save the footage in a commercially available format: for example, MPEG-4, MP4, H.264, AAC (for audio)
- s) The Body Worn Camera Device should have the ability to automatically tag recorded video with available metadata, for example:
 - ~~Locational information (GPS) (The system will source GPS location information from the any mobile device while the camera is recording via a Bluetooth connection to show the path taken while recording)~~
 - ~~Data and Time~~
 - ~~Serial number/ID of the camera~~
 - ~~Details of the current user – Member ID etc.~~
 - ~~Frame Counter~~
- t) Each BWC should be supplied with connector (USB 2.0 or better, HDMI port (optional))/ for data transfer/uploading/camera access and other accessories required for successful functioning of the BWC system.
- u) All compression (including the adjustment of the real time clock) of the BWC should be possible via a PC based windows application. The management application should allow the user to backup and transfer data from one or more multiple BWC and also query for video/photograph on the basis of device, user, time, filename.
- v) Each BWC should be supplied with a separate charger and required accessories like cable, Clip, charger, mounting accessories etc.
- w) The user should not be able to delete/edit/overwrite original video file/photograph/audio. The administrator control and system **at central location** (Local Workstation or at decided location) should have the complete audit trail along with the user details, activities performed etc. The deletion /uploading/transfer of video/photograph on a PC should be possible only through the management software and administrative control.
- x) Product should have standard safety certificate/compliance i.e. RoHS (Restriction of Hazardous Substances), CE (Conformité Européenne)/equivalent Indian Standard, FCC (Federal Communications Commission)/equivalent Indian Standard at the time of bidding”.
- y) **The proposed solution should not compromise on video/audio/images quality as they may be required for submission as evidence in the court as and when required.**

- z) **The proposed solution should support access control and restrict the unauthorized access. Further, it should also create complete audit trail in case anybody tries to access the device/system without proper authentication.**

2.3 Work station at District/Special Jail

- a) Each Jail should be provided Work Station with docking station with necessary IT Infrastructure to charge the cameras and store/retrieve the camera feed by installing the desktop video feed management software.
- b) The work station (Monitor, Keyboard, Mouse) should have minimum intel core i5 processor, min 8 GB RAM and required size Hard disk for storage, Graphics Card as required to run the VFMS solution, OS should have windows 10 professional preloaded with media and documentation and certificate of authenticity, internal/external speaker, Minimum 04 USB 2.0 (or Higher) ports with each PC, Monitor with min 18 inch or higher LED backlit TFTs with TCO 5.0 or better, keyboard USB or Ps/2 104 keys keyboard, Mouse-USB or PS/2 Two button scroll optical mouse with pad.
- c) Workstation should be supplied with BIS certified.

2.4 Charging facility (Docking Station) at District/Special Jail

- d) The docking station should have multiple mounting options (e.g. desk or wall mounted). The docking station should have minimum 6 ports which are able to charge and upload multiple BWC Device data at the same time.
- e) The docking station and Device should not get over heated during charging. Also, charging for periods longer than this should not damage the Body Worn Camera Device or battery or affect the life of the battery.
- f) Configuration of the Body Worn Camera Devices shall only be accessible by authorized users or Administrators.
- g) The Docking Station should be completely Integrated with inbuilt computing hardware
 - 1. Should charge all the body cameras simultaneously
 - 2. Should automatically transfer the data from the body camera to the HDD
 - 3. Should be configurable so that Data is cleared from the body camera on successful transfer.
 - 4. Automatic Data overwriting on the HDD
 - 5. Search for video/audio/image by Date/Time, Device ID
 - 6. Network Interface -10M/100M/1000M (if it is available and controlled through workstation proposed and works seamlessly with proposed docking station, it is ok if docking station doesn't have it.
 - 7. Video interface – DMI/VGA
 - 8. USB 2.0 or higher

9. Docking station does not rely on cables/connectors requires to be plugged-in into the Body worn camera device (Docking station should not use any cable or connectors for transfer data from Body worn camera to desktop)

2.5 600 VA Line Interactive UPS with 30 minutes battery back-up at District/Special Jail

- a) 600 VA Line Interactive UPS with 30 minutes battery back-up for provided solution.(UPS and Battery with 5 years warranty).

2.6 Training:

- a) The Successful bidder shall provide the necessary Training, technical support, Standard Operating Procedure (SOP) and other information as and when required to the TENDERER'S and its users in and after implementing the proposed system. The TENDERER at any time during the currency of the Agreement should have access to the proposed content.
- b) SI shall be responsible to providing the one time operational training for using the Body worn camera, desktop software to the users of TENDERER.
- c) Department will provide the infrastructure for training viz. Conference room, Computers, Seating, Furniture, Network Bandwidth only for Training.
- d) The reference/training material shall be provided by the SI in hard as well as in soft form. The logistic for the trainer shall be arranged by the SI. However, the logistic for the trainee will be arranged by the Jail department.
- e) System Integrator is responsible to provide the Training Plan, Training Material to Department.
- f) System Integrator shall submit the Training Report with Training Feedback to Department.
- g) In case of failure component part then bidder has to install same or higher specifications component part or items which compatible with existing solution and solution should run smoothly for order execution with prior approval of purchasing department.

Section-3: Instructions to Bidders

ARTICLE - 1: GENERAL INSTRUCTION TO BIDDERS

All information supplied by Bidders may be treated as contractually binding on the Bidders on successful award of the assignment by the TENDERER on the basis of this RFP. No commitment of any kind, contractual or otherwise shall exist unless and until a formal written contract has been executed by or on behalf of the TENDERER. Any notification of preferred bidder status by the TENDERER shall not give rise to any enforceable rights by the Bidder. TENDERER may cancel this public procurement at any time prior to a formal written contract being executed by or on behalf of GIL. This RFP supersedes and replaces any previous public documentation, communications, and Bidders should place no reliance on such communications. The TENDERER/ GIL may terminate the RFP process at any time and without assigning any reason. GIL make no commitments, express or implied, that this process will result in a business transaction with anyone.

ARTICLE - 2: COST OF BIDDING

- 2.1** The Bidder shall bear all costs associated with the preparation and submission of the Bid and TENDERER will in no case be responsible for those costs, regardless of the conduct or outcome of the bidding process.
- 2.2** Bidder is requested to submit Earnest Money Deposit (E.M.D.) of **Rs. 4,60,000/-** (Rupees Four lakh sixty thousand) (Refundable). In case of non-receipt of EMD the bid will be rejected by GIL.

ARTICLE - 3: BIDDING DOCUMENTS

The Bidder(s) can download the bid document and further amendment if any freely available on <https://www.gil.gujarat.gov.in> and submit the bid on (n)Procure <http://gil.nprocure.in> on or before due date & time of the tender. Bidder is expected to examine all instructions, forms, terms, and specifications in the bidding documents. Failure to furnish all information required by the bidding documents or submits a Bid not substantially responsive to the bidding documents in every respect may result in the rejection of the Bid. Under no circumstances physical bid will be accepted.

ARTICLE - 4: CLARIFICATION ON BIDDING DOCUMENTS:

- 4.1** Bidders can seek written clarifications to DGM(Tech.), Gujarat Informatics Ltd., 2nd Floor, Block No. 2, Karmayogi Bhavan Gandhinagar 382 010. GIL / TENDERER will try to clarify & issue amendments if any to all the bidders. No further clarification what so ever will be entertained after the bid submission date. Bidder can seek written clarification by email to prakashd@gujarat.gov.in and mgrhn-itcon@gujarat.gov.in

ARTICLE - 5: AMENDMENT OF BIDDING DOCUMENTS

- 5.1** At any time prior to the deadline for submission of bids, The TENDERER / GIL, for any reason, whether at its own initiative or in response to the clarifications requested by prospective bidders may modify the bidding documents by amendment.
- 5.2** All prospective bidders are requested to browse our website & any amendments / corrigendum / modification will be notified on our website and such modification will be binding on them. Bidders are also requested to browse the website of GIL/GoG i.e. www.gil.gujarat.gov.in & (n)Procure for further amendments if any.
- 5.3** In order to allow prospective bidders a reasonable time to take the amendment into account in preparing their bids, GIL / TENDERER, at its discretion, may extend the deadline for the submission of bids.

ARTICLE - 6: LANGUAGE OF BID

The Bid prepared by the Bidder, as well as all correspondence and documents relating to the Bid exchanged by the Bidder and GIL / THE OFFICE shall be in English. Supporting documents and printed literature furnished by the bidder may be in another language provided they are accompanied by an accurate translation of the relevant pages in English. For purposes of interpretation of the bid, the translation shall govern.

ARTICLE - 7: SECTIONS COMPRISING THE BIDS

7.1 The quotation should be scan-able and distinct without any option stated in.

7.2 The bid submitted shall have the following documents:

a) EMD Section:

The EMD (refundable) to be furnished to GIL office on or before stipulated time of bid in a sealed cover super scribed with the bid document number. The details are required to be filled in this section.

b) Eligibility & Technical Section:

- i. Clause by clause Compliance statement for Bid document including annexure to be uploaded.
- ii. All deviations and / or non-compliance clauses shall be listed separately & uploaded.
- iii. Letter of Authority for signing the bid.
- iv. All Annexure/Table, duly filled-in with necessary proofs, as required and stated in the bid document.
- v. Make & Model of quoted item in the bid with brochures\ website literature.
- vi. All Eligibility forms & technical specification & dealership\distributorship authorized certificate & supporting document related Eligibility & Technical Stage.

c) Price Bid Section in the prescribed format only.

ARTICLE - 8: BID FORMS

8.1 Wherever a specific form is prescribed in the Bid document, the Bidder shall use the form to provide relevant information. If the form does not provide space for any required information, space at the end of the form or additional sheets shall be uploaded to convey the said information. Failing to upload the information in the prescribed format, the bid is liable for rejection.

8.2 For all other cases, the Bidder shall design a form to hold the required information.

8.3 TENDERER shall not be bound by any printed conditions or provisions in the Bidder's Bid Forms.

ARTICLE - 9: FRAUDULENT & CORRUPT PRACTICE

9.1 Fraudulent practice means a misrepresentation of facts in order to influence a procurement process or the execution of a Contract and includes collusive practice among Bidders (prior to or after Bid submission) designed to establish Bid prices at artificial noncompetitive levels and to deprive the TENDERER/GIL of the benefits of free and open competition.

9.2 "Corrupt Practice" means the offering, giving, receiving or soliciting of anything of value, pressurizing to influence the action of a public official in the process of Contract execution.

9.3 GIL / THE OFFICE will reject a proposal for award and may forfeit the E.M.D. and/or Performance Guarantee if it determines that the bidder recommended for award has engaged in corrupt or fraudulent practices in competing for, or in executing, contract(s).

ARTICLE - 10: LACK OF INFORMATION TO BIDDER

The Bidder shall be deemed to have carefully examined all contract documents to his entire satisfaction. Any lack of information shall not in any way relieve the Bidder of his responsibility to fulfill his obligation under the Contract.

ARTICLE - 11: CONTRACT OBLIGATIONS

If after the award of the contract the Bidder does not sign the Agreement or fails to furnish the Performance Bank guarantee within fifteen (15) working days from the date of LoI/Work Order, along with the inception report and working schedule as per the tender requirements & if the operation are not started within fifteen (15) working days after submission of P.B.G. as mentioned, TENDERER reserves the right to cancel the contract and apply all remedies available to him under the terms and conditions of this contract.

ARTICLE - 12: BID PRICE

- 12.1 The priced bid should indicate the prices in the format/price schedule only.
- 12.2 Offered price should be inclusive of Packing\Forwarding, Insurance, FOR destination (anywhere in the Gujarat state) except GST. GST needs to be shown separately. GST will be paid extra on actual basis.
- 12.3 Discount if offered, should not be mentioned separately. It should be included in offered price.
- 12.4 Any effort by a bidder or bidder's agent\consultant or representative howsoever described to influence the TENDERER in any way concerning scrutiny\consideration\evaluation\comparison of the bid or decision concerning award of contract shall entail rejection of the bid.
- 12.5 Unit rates should be quoted separately for each item. The Quantities may increase or decrease up to 25% of the bid Quantity at the time of finalization, depending upon the change in the requirements/grants available with the purchaser(s), which shall be binding to the bidder..

ARTICLE - 13: BID CURRENCY

The prices should be quoted in Indian Rupees. Payment for the supply of equipment's as specified in the agreement shall be made in Indian Rupees only.

ARTICLE - 14: EARNEST MONEY DEPOSIT (EMD)

- 14.1 The Bidder shall furnish, as part of the Bid, **EMD of Rs. 4,60,000/- (Rupees Four lakh sixty thousand)** shall be submitted in the form of Demand Draft OR in the form of an unconditional Bank Guarantee (which should be valid up to **9 months** from the date of bid submission) of any Nationalized Bank including the public sector bank or Private Sector Banks or Commercial Banks or Co-Operative Banks and Rural Banks (operating in India having branch at Ahmedabad/ Gandhinagar) as per the G.R. no. EMD/4/2022/0002/DMO dated 20.05.2022 issued by Finance Department or further instruction issued by Finance department time to time; in the name of "Gujarat Informatics Ltd." payable at Gandhinagar (as per prescribed format given at Annexure A) in a separate envelope. The un-priced bid (Technical-bid) will be opened subject to the confirmation of valid EMD.
- 14.2 Unsuccessful bidder's E.M.D. will be returned as promptly as possible within 30 days after the expiration of the period of bid validity OR upon the successful Bidder signing the Contract, and furnishing the Performance Bank Guarantee @ 5% of the total order value as prescribed by GIL, whichever is earlier.
- 14.3 The successful Bidder's EMD will be discharged upon the Bidder signing the Contract/Agreement, and furnishing the Performance Bank Guarantee.

- 14.4 EMD amount is interest free and will be refundable to the unsuccessful bidders without any accrued interest on it.
- 14.5 The EMD may be forfeited, on account of one or more of the following reasons:
- a) The Bidder withdraws their Bid during the period of Bid validity.
 - b) Bidder does not respond to requests for clarification of their Bid.
 - c) Bidder fails to co-operate in the Bid evaluation process.
 - d) The bidder is found to be involved in fraudulent and corrupt practices, and
 - e) In case of a successful Bidder, the said Bidder fails:
(i) To sign the Agreement in time, (ii) To furnish Performance Bank Guarantee

ARTICLE - 15: PERIOD OF VALIDITY OF BIDS

- 15.1 Bids shall remain valid for **1 year** after the date of financial bid opening by Home Department. A Bid valid for a shorter period shall be rejected as non-responsive.
- 15.2 In exceptional circumstances, the TENDERER/GIL may solicit Bidder's consent to an extension of the period of validity. The request and the responses thereto shall be made in writing. The EMD shall also be suitably extended. A Bidder granting the request is not required nor permitted to modify the Bid.

ARTICLE - 16: DURATION OF THE CONTRACT

The duration of the Contract will be of **5 year**. The duration spent for installation of Hardware and Software will not be a part of contract period. Hence the actual contract period starts after the successful installation, commissioning and FAT of hardware and software as per the requirement of the RFP.

ARTICLE - 17: BID DUE DATE

- 17.1 Bid must be uploaded by vendor not later than the due date specified in the RFP.
- 17.2 The TENDERER/GIL, as its discretion, may extend the bid due date, in which case all rights and obligations of the TENDERER/GIL and the bidders, previously subject to the bid due date, shall thereafter be subject to the new bid due date as extended.

ARTICLE - 18: LATE BID

- 18.1 Bids received after the due date and the specified time (including the extended period if any) for any reason whatsoever, shall not be entertained and shall be REJECTED.
- 18.2 The bids submitted by telex/telegram/ fax/e-mail etc. shall not be considered. No correspondence will be entertained on this matter.

ARTICLE - 19: MODIFICATION AND WITHDRAWAL OF BID

- 19.1 The Bidder may modify or withdraw its Bid before the due date & time of bid submission.
- 19.2 No Bid may be modified subsequent to the deadline for submission of bids.
- 19.3 No Bid may be withdrawn in the interval between the deadline for submission of bids and the expiration of the period of Bid validity specified by the Bidder on the bid letter form. Withdrawal of a Bid during this interval may result in the bidder's forfeiture of its EMD.

ARTICLE - 20: OPENING OF BIDS BY GIL

- 20.1 Bids will be opened in the presence of Bidder's representatives, who choose to attend. The Bidder's representatives who are present shall sign a register evidencing their attendance.

- 20.2 The Bidder's names, Bid modifications or withdrawals, discounts and the presence or absence of relevant EMD and such other details as the GIL / THE OFFICE officer at his/her discretion, may consider appropriate, will be announced at the opening.
- 20.3 Immediately after the closing time, the TENDERER/ GIL contact person shall open the Un-priced Bids and list them for further evaluation.

ARTICLE - 21: CONTACTING GIL / THE OFFICE

- 21.1 Bidder shall not approach GIL / THE OFFICE officers outside of office hours and / or outside GIL / THE OFFICE premises, from the time of the Bid opening to the time the Contract is awarded.
- 21.2 Any effort by a bidder to influence GIL / THE OFFICE officers in the decisions on Bid evaluation, bid comparison or contract award may result in rejection of the Bidder's offer. If the Bidder wishes to bring additional information to the notice of the GOG, it should do so in writing.

ARTICLE - 22: REJECTION OF BIDS

The TENDERER/GIL reserves the right to reject any Bid, and to annul the bidding process and reject all bids at any time prior to award of Contract, without thereby incurring any liability to the affected Bidder(s) or any obligation to inform the affected Bidder(s) of the grounds for such decision. Conditional bid will not be accepted.

ARTICLE - 23: BID EVALUATION

- 23.1 The TENDERER will form a Committee which will evaluate the proposals submitted by the bidders for a detailed scrutiny. During evaluation of proposals, the TENDERER, may, at its discretion, ask the bidders for clarification of their Proposals.
- a) **Pre-Qualification evaluation:**
- Bidders who have submitted the valid EMD shall be considered for further evaluation. If bidders fail to submit the bid security as per this RFP document, the Bid shall be out rightly rejected.
 - Thereafter, Un-priced Bid documentation of qualified bidder shall be opened and evaluated
 - Evaluation of Eligibility Criteria: As per the eligibility criteria defined in this bid document, committee will evaluate the bidder and OEM eligibility section, and if required may ask for clarification before finalization.
- b) **Technical Bid evaluation:** Committee will evaluate the detailed technical bid document submitted by each bidder having technical solution offered, Compliance to the functional and Technical Specifications of the Product / Solution Offered, required supporting documents etc. Further, if required TENDERER/GIL may ask the Bidder(s) for additional information/clarifications, to verify the claims made in Un-priced Bid documentation. In case of conditional bid or major deviations from the RFP requirements, the TENDERER may at its discretion reject the respective bid and will not be considered for further evaluation process. Bidder Annual Turn Over: 100 Lakh & Average Annual Turn Over Of OEM 500 Lakh.
- c) **Financial Bid Evaluation:** The Financial Bids of qualified bidders only would be opened and evaluated to determine the L1 (lowest cost to the TENDERER) bidder from the sum total of prices for all line items with tax and then called for further negotiations if required. (Reverse Auction will be the part of the Financial evaluation process as per GeM portal)

ARTICLE - 24: AWARD OF CONTRACT

- 24.1 **Award Criteria:** The Criteria for selection will be the lowest cost (with taxes) to the TENDERER for the qualified bid. The TENDERER may negotiate the prices with L1 Bidder, under each item/head offered by Bidder.
- 24.2 THE OFFICE's right to vary requirements at time of award: GIL/ THE OFFICE reserves the right at the time of award to increase or decrease quantity for the requirements originally specified in the document without any change in Bid rate or other terms and conditions.
- 24.3 In case, if lowest bidder does not accept the award of contract or found to be involved in corrupt and/or fraudulent practices, the next lowest bidder will be awarded the contract. In such scenario, the lowest bidder has to born the difference between lowest prices and next lowest prices.
- 24.4 The tendered quantities are estimated based on the survey carried out as well as receipt of the requirement from the TENDERER. The quantities may vary at the time of finalization, depending upon the change in the requirements/grants available with the purchaser(s), which shall be binding to the bidder.

ARTICLE - 25: NOTIFICATION OF AWARD & SIGNING OF CONTRACT

- 25.1 Prior to expiration of the period of Bid validity, the TENDERER will notify the successful Bidder and issue Lol/Work Order.
- 25.2 The Successful bidder has to submit Performance Bank Guarantee @ 5% of total order value within 15 days from the date of issue of Lol/ Work Order as per article 33 of this bid from any Nationalized Bank including the public sector bank or Private Sector Banks authorized by RBI or Commercial Bank or Regional Rural Banks of Gujarat or Co-Operative Bank of Gujarat (operating in India having branch at Ahmedabad / Gandhinagar) as per the G.R. no. EMD/4/2022/0002/DMO dated 20.05.2022 issued by Finance Department or further instruction issued by Finance department time to time. (The draft of Performance Bank Guarantee is attached herewith).
- 25.3 Successful Bidder will have to sign the contract upon receiving the Work Order with the purchaser(s) within 15 working days from the date of Work Order. (The draft is attached herewith).

ARTICLE - 26: FORCE MAJEURE

- 26.1 Force Majeure shall mean any event or circumstances or combination of events or circumstances that materially and adversely affects, prevents or delays any Party in performance of its obligation in accordance with the terms of the Agreement, but only if and to the extent that such events and circumstances are not within the affected party's reasonable control, directly or indirectly, and effects of which could have prevented through Good Industry Practice or, in the case if construction activities through reasonable skill and care, including through the expenditure of reasonable sums of money. Any events or circumstances meeting the description of the Force Majeure which have same effect upon the performance of any contractor shall constitute Force Majeure with respect to the Vendor. The Parties shall ensure compliance of the terms of the Agreement unless affected by the Force Majeure Events. The Vendor shall not be liable for forfeiture of its implementation / Performance guarantee, levy of Penalties, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Agreement is the result of Force Majeure.
- 26.2 **Force Majeure Events**

The Force Majeure circumstances and events shall include the following events to the extent that such events or their consequences (it being understood that if a causing event is within the reasonable control of the affected party, the direct consequences shall also be deemed to be within such party's reasonable control) satisfy the definition as stated above.

Without limitation to the generality of the foregoing, Force Majeure Event shall include following events and circumstances and their effects to the extent that they, or their effects, satisfy the above requirements:

26.3 Natural events ("Natural Events") to the extent they satisfy the foregoing requirements including:

- (a) Any material effect on the natural elements, including lightning, fire, earthquake, cyclone, flood, storm, tornado, or typhoon;
- (b) Explosion or chemical contamination (other than resulting from an act of war);
- (c) Epidemic such as plague;
- (d) Any event or circumstance of a nature analogous to any of the foregoing.

26.4 Other Events ("Political Events") to the extent that they satisfy the foregoing requirements including:

Political Events which occur inside or Outside the State of Gujarat or involve directly the State Government and the Central Government ("Direct Political Event"), including:

- (i) Act of war (whether declared or undeclared), invasion, armed conflict or act of foreign enemy, blockade, embargo, revolution, riot, insurrection, civil commotion, act of terrorism or sabotage;
- (ii) Strikes, work to rules, go-slows which are either widespread, nation-wide, or state-wide and are of political nature;
- (iii) Any event or circumstance of a nature analogous to any of the foregoing.

26.5 FORCE MAJEURE EXCLUSIONS

Force Majeure shall not include the following event(s) and/or circumstances, except to the extent that they are consequences of an event of Force Majeure:

- (a) Unavailability, late delivery
- (b) Delay in the performance of any contractor, sub-contractors or their agents;

26.6 PROCEDURE FOR CALLING FORCE MAJEURE

The Affected Party shall notify to the other Party in writing of the occurrence of the Force Majeure as soon as reasonably practicable, and in any event within 5 (five) days after the Affected Party came to know or ought reasonably to have known, of its occurrence and that the Force Majeure would be likely to have a material impact on the performance of its obligations under the Agreement.

ARTICLE – 27: CONTRACT OBLIGATIONS

Once the contract agreement is confirmed and signed, the terms and conditions contained therein shall take precedence over the Bidder's bid and all previous correspondence.

ARTICLE – 28: AMENDMENT TO THE AGREEMENT

Amendments to the Agreement may be made by mutual agreement by both the Parties. No variation in or modification in the terms of the Agreement shall be made except by written amendment signed by both the parties. All alterations and changes in the Agreement will take into account prevailing rules, regulations and laws applicable in the State of Gujarat.

ARTICLE – 29: USE OF AGREEMENT DOCUMENTS AND INFORMATION

The successful bidder shall not without prior written consent from GoG disclose the Agreement or any provision thereof or any specification, plans, drawings, pattern, samples or information furnished by or on behalf of the TENDERER in connection therewith to any person other than the person employed by the successful bidder in the performance of the Agreement. Disclosure to any such employee shall be made in confidence and shall extend only as far as may be necessary for such performance.

The successful bidder shall not without prior written consent of the TENDERER make use of any document or information made available for the project except for purposes of performing the Agreement.

All project related documents issued by the TENDERER other than the Agreement itself shall remain the property of the TENDERER and Originals and all copies shall be returned to the TENDERER on completion of the successful bidder performance under the Agreement, if so required by the TENDERER.

ARTICLE – 30: LIMITATION OF LIABILITY

Notwithstanding anything contrary contained herein, the Successful Bidder's cumulative liability for its obligations under the contract shall not exceed the value of the charges payable by the DST/GIL within the remaining duration of the contract term from the day claim is raised and selected agency shall not be liable for incidental, consequential, or indirect damages including loss of profit or saving.

ARTICLE – 31: RESOLUTION OF DISPUTES

- (i) If any dispute arises between the Parties hereto during the subsistence or thereafter, in connection with the validity, interpretation, implementation or alleged material breach of any provision of the Agreement or regarding a question, including the questions as to whether the termination of the Contract Agreement by one Party hereto has been legitimate, both Parties hereto shall endeavor to settle such dispute amicably.
- (ii) The attempt to bring about an amicable settlement is considered to have failed as soon as one of the Parties hereto, after reasonable attempts [which attempt shall continue for not less than 30 (thirty) days], give 15 days' notice thereof to the other Party in writing.
- (iii) In the case of such failure the dispute shall be referred to three arbitrators, two of whom will be appointed by each Party and the third appointed by the two arbitrators. The place of the arbitration shall be Ahmedabad, Gujarat.
- (iv) The Arbitration proceeding shall be governed by the Arbitration and Conciliation Act of 1996 as amended. The proceedings of arbitration shall be in English language. The arbitrator's award shall be substantiated in writing. The arbitration tribunal shall also decide on the costs of the arbitration procedure.
- (v) The Parties hereto shall submit to the arbitrator's award and the award shall be enforceable in any competent court of law.

ARTICLE – 32: TAXES & DUTIES

The successful bidder is liable for GST on actuals as may be applicable from time to time.

ARTICLE – 33: BOOKS & RECORDS

The successful bidder shall maintain adequate books and records in connection with Contract and shall make them available for inspection and audit by the TENDERER during the terms of Contract until expiry of the performance guarantee.

ARTICLE – 34: WARRANTY TERMS

The successful bidder shall give on-site warranty and support for all equipment's mentioned in RFP for 5 year from the date of FAT. In the event that the materials supplied under the contract do not meet the specifications and/or are not in accordance with the drawings data in terms of this order, and rectification is required at site, The TENDERER shall notify the successful bidder giving details of difference. The successful bidder shall attend the site within seven (7) days of receipt of such notice to meet and agree with representatives of the TENDERER, the action required to correct the deficiency. Should the successful bidder fail to attend the site within the time specified above, The TENDERER shall be at liberty to rectify the work/materials and the successful bidder shall reimburse the TENDERER all costs and expenses incurred in connection with such trouble or defect.

Warranty should also cover the equipment damage or burn due to power failure, high voltage, surge and earthing.

Body Worn Camera and its battery is required to be replace with new or equivalent in case of failure of Body worn camera at site.

ARTICLE – 35: PERFORMANCE GUARANTEE

- 35.1 The successful bidder shall furnish Performance Guarantee equals to 5% of the contract value valid for the duration of 180 days beyond the expiry of the contract.
- 35.2 The performance guarantee will be in the form of bank guarantee for the amount equal to 5 % of the contract value towards faithful performance of the contract obligation, and performance of the equipment's during Warrantee period. In case of material breach of the contract terms and conditions, the TENDERER shall invoke the PBG.
- 35.3 The Performance Guarantee shall be denominated in Indian Rupees and shall be in the form of an unconditional Bank Guarantee issued by any Nationalized Bank including the public sector bank or Private Sector Banks authorized by RBI or Commercial Bank or Regional Rural Banks of Gujarat or Co-Operative Bank of Gujarat (operating in India having branch at Ahmedabad / Gandhinagar) as per the G.R. no. EMD/4/2022/0002/DMO dated 20.05.2022 issued by Finance Department or further instruction issued by Finance department time to time. in the format provided by the TENDERER to be submitted within 15 working days from the date of receipt of award.
- 35.4 The Performance Guarantee shall be discharged by the TENDERER and returned to the Vendor within 30 days from the date of expiry of the Performance Bank Guarantee.
- 35.5 During the warranty period if agency is not performing over and above penalty and PBG invocation, office of the ADGP (Jail) reserve the rights to take further legal action. If the performance will not be satisfactory and work shall not be done according to the conditions of the tender than PBG will be forfeited.

ARTICLE- 36 DELIVERIES AND INSTALLATION / IMPLEMENTATION:

- 36.1 The work as defined under the Scope of work has to be completed in accordance to the Project Implementation timeline as specified under Article 38. The bidder has to take the necessary approval of the TENDERER or its user departments for Schematics Diagram (Layout) within 15 working days for cabling & laying work of Body Worn Camera System.
- 36.2 If in any case the quoted Item is not available in the market at the time of delivery, the bidder will have to supply Higher Version/replacement of that Item in the quoted cost in the same time duration with prior approval of GIL. No “End of Life” product should be quoted to minimize such instances.

ARTICLE –37: PAYMENTS TERMS

S/N	Activity
1	50% upon Successful Delivery of components (Hardware, Software, Licenses, etc.) at bidder's central location/ware house situated at Ahmedabad/Gandhinagar
2	20% upon Successful completion of installation, Testing, Integration, Commissioning
3	Remaining 30% upon Successful completion of training & Final Acceptance test of entire solution

37.1 PAYMENTS PROCEDURES

- The Selected Bidder shall raise the component wise invoice upon achieving respective milestone and submit the invoice to TENDERER.
- The Selected Bidder's request(s) for payment shall be made to TENDERER along with the 2 original copies of invoices and necessary documents. The invoice should be in English. The payment to the selected bidder shall be processed on submission of reports and fulfilment of other contractual obligations as per the Terms and Conditions of Service Level Agreement (SLA).
- On the receipt of such invoice, invoice would be processed after due verification of invoice and other supporting documents submitted along with the invoice by TENDERER or its designated agency
- Payment shall be made in Indian Rupees. While making the payment necessary deduction for penalties (if any) and applicable tax/TDS will be made.
- The bidder shall have to furnish the payment receipt of tax collected and paid/deposited to the appropriate tax authorities to TENDERER.
- If there is any deficiency in the performance of Contractual obligations on the part of the bidder, the bidder shall be liable for the imposition of appropriate Penalties as specified in the RFP/SLA agreement and TENDERER shall be entitled to deduct such Penalties at source while making payment to the bidder for the services provided.

ARTICLE – 38: SERVICE TERMS

- 38.1 The entire scope of the work depends on the technical skill and experience in management of the same level or kind of infrastructure.
- 38.2 It is mandatory for successful bidder to deploy qualified professional to install, commission & warranty support the equipment's, as defined under scope of work.
- 38.3 The successful bidder has to submit regular schedule of man power availability & get it approved by the TENDERER.
- 38.4 The successful bidder is free to deploy or to develop applications to facilitate the operation. The TENDERER will welcome the deployment such application in respect to improve Quality of Services.
- 38.5 For extending better services to the user, the successful bidder will be allowed to deploy & use own tested and proven solution, with prior permission from the TENDERER.

- 38.6 The successful bidder needs to manage & maintain various records related to the services extended to the user.
- 38.7 The network is being operated & maintained by various agencies. In such circumstances the successful bidder may need to coordinate and approach various agencies, if required.

Dear Sir,

In consideration of <<**Name & Address of the Purchaser/Indenter, Government of Gujarat, Gandhinagar**>> (hereinafter referred to as the OWNER/PURCHASER which expression shall unless repugnant to the context or meaning thereof include successors, administrators and assigns) having awarded to M/s. having Principal Office at (hereinafter referred to as the “SELLER” which expression shall unless repugnant to the context or meaning thereof include their respective successors, administrators, executors and assigns) the supply of _____ by issue of Purchase Order No..... Dated issued by Gujarat Informatics Ltd. ,Gandhinagar for and on behalf of the OWNER/PURCHASER and the same having been accepted by the SELLER resulting into CONTRACT for supplies of materials/equipments as mentioned in the said purchase order and the SELLER having agreed to provide a Contract Performance and Warranty Guarantee for faithful performance of the aforementioned contract and warranty quality to the OWNER/PURCHASER, _____ having Head Office at (hereinafter referred to as the ‘Bank’ which expressly shall, unless repugnant to the context or meaning thereof include successors, administrators, executors and assigns) do hereby guarantee to undertake to pay the sum of Rs. _____ (Rupees _____) to the OWNER/PURCHASER on demand at any time up to _____ without a reference to the SELLER. Any such demand made by the OWNER/PURCHASER on the Bank shall be conclusive and binding notwithstanding any difference between Tribunals, Arbitrator or any other authority.

The Bank undertakes not to revoke this guarantee during its currency without previous consent of the OWNER/PURCHASER and further agrees that the guarantee herein contained shall continue to be enforceable till the OWNER/PURCHASER discharges this guarantee. OWNER/PURCHASER shall have the fullest liberty without affecting in any way the liability of the Bank under this guarantee from time to time to extend the time for performance by the SELLER of the aforementioned CONTRACT. The OWNER/ PURCHASER shall have the fullest liberty, without affecting this guarantee, to postpone from time to time the exercise of any powers vested in them or of any right which they might have against the SELLER, and to exercise the same at any time in any manner, and either to enforce to forebear to

enforce any covenants contained or implied, in the aforementioned CONTRACT between the OWNER/PURCHASER and the SELLER or any other course of or remedy or security available to the OWNER/PURCHASER.

The Bank shall not be released of its obligations under these presents by any exercise by the OWNER/PURCHASER of its liability with reference to the matters aforesaid or any of them or by reason or any other acts of omission or commission on the part of the OWNER/PURCHASER or any other indulgence shown by the OWNER/PURCHASER or by any other matter or things.

The Bank also agree that the OWNER/PURCHASER at its option shall be entitled to enforce this Guarantee against the Bank as a Principal Debtor, in the first instance without proceeding against the SELLER and not withstanding any security or other guarantee that the OWNER/PURCHASER may have in relation to the SELLER's liabilities.

Notwithstanding anything contained herein above our liability under this Guarantee is restricted to Rs. _____ (Rupees _____) and it shall remain in force up to and including _____ and shall be extended from time to time for such period as may be desired by the SELLER on whose behalf this guarantee has been given.

Dated at _____ on this _____ day of _____ 2023.
