

**Dear Prospective Bidders,**

Hope you are doing well and preparing for participation in the bidding process for the Request for Proposal (RFP) for Business Intelligence (BI) Tool and Integration of Health Portals into a Monitoring Dashboard for the Health & Family Welfare Department, Government of Gujarat (RFP No.: GIL/e-Gov/2025/BISolution | GeM Bid No.: GEM/2025/B/6689807 | Dated: 17.09.2025).

This is to kindly draw the attention of all prospective bidders to an important point to be kept in mind while preparing and submitting the Financial (Price) Bid online on GeM portal.

Please note that there is a minor clarification in Section 8.1 – Annexure 1: Format for Financial Bid in RFP, as detailed below:

- Table B and Table C shall be treated as independent totals
- Table B shall exclude manpower costs (Point B2) under OPEX
- Table A shall be calculated as the sum total of Table B (Total) and Table C (Total)

Bidders are requested to carefully consider the above clarification and ensure that the Financial Bid is submitted strictly in accordance with this requirement, to avoid any discrepancy during evaluation.

Note: - All other terms and conditions shall remain as per the RFP and subsequent corrigenda published
