

RESPONSES TO PRE-BID QUERIES / CORRIGENDUM

Tender Ref. No.:		GEM/2026/B/7986449 Dated 07.09.2026		
Tender Subject		Procurement of 01 qty HPC system for CoE-BioAI project of Gujarat Biotechnology University (GBU) Gandhinagar.		
Sr. No.	Page No. / Clause No.	Title of Clause as per tender	Bidder's Query	Responses
1			GPU : The required RTX 6000 Ada(48GB) Card is end of life now, so please let us know can we offer NVIDIA RTX Pro 5000 48GB Blackwell GPU card in i.e of RTX 6000 Ada?	NVIDIA RTX Pro 6000 Blackwell is preferable. If it is not available, we may proceed with NVIDIA RTX Pro 5000
2			NIC :-Kindly let us know the exact speed required for networking, whether it is 1G or 10G or 25G or anything else?	1G
3			Chassis:- Please confirm the form factor require for the system-Tower or Rackmountable ?	Please proceed as per the system's suitability.
4			Power Supply:- Do you need single or Dual Redundant power supply?	No
5			The NVIDIA RTX 6000 Ada is approaching EOL. We would recommend the RTX PRO 6000 Blackwell Max-Q Workstation Edition (96 GB) or RTX PRO 5000 Blackwell (48 GB) as the successor series. We request you to make the necessary changes as per your requirement.	NVIDIA RTX Pro 6000 will be fine. If it is not available, we may proceed with NVIDIA RTX Pro 5000
6			Kindly specify the required OS certification to ensure compatibility with the proposed system.	Ubuntu
7			Kindly clarify the required networking port speed — 1G or 10G.	1G
8			We would recommend Titanium-certified redundant power supplies of 1100W or higher for the proposed configuration.	Please proceed as per the system's suitability.
