Expression of Interest (EoI)

For

“Annapurta - Grain Vending Machines”

by

**Food, Civil Supplies and Consumer Affairs Department
Block No. 14, 5th Floor, Sachivalaya,
Gandhinagar - 382010, Gujarat.**

Notice Inviting Expression of Interest

1. INTRODUCTION

The Food, Civil Supplies and Consumer Affairs Department, Government of Gujarat, is committed to strengthening the Public Distribution System (PDS) under the National Food Security Act, 2013, to ensure efficient, transparent, and accessible distribution of essential food grains to over 5 crore beneficiaries across the state. In line with the vision of Digital India and Atmanirbhar Bharat, the Department seeks to modernize its last-mile delivery mechanism by adopting innovative technologies for ration distribution.

To this end, the Department invites Expressions of Interest (EOI) from eligible manufacturers, suppliers, technology providers, and innovators for the supply, installation, and commissioning of **Annapurthi Grain Vending Machines** (also known as Grain ATMs). These automated, multi-commodities dispensing machines, inspired by the successful model developed by the World Food Programme (WFP) India, aim to provide 24/7 access to subsidized food grains (such as rice, wheat, and millets) through biometric authentication, reducing waiting times, minimizing spillage/wastage, and enhancing beneficiary convenience.

This EOI is a pre-qualification stage to shortlist capable entities for subsequent Request for Proposal (RFP) and procurement processes. The initiative aligns with Gujarat's focus on nutritional security and efficient PDS operations.

2. BACKGROUND AND OBJECTIVES

Gujarat's PDS network comprises over 17,000 Fair Price Shops (FPS) serving diverse urban and rural populations. Traditional manual distribution faces challenges such as long queues, human errors in weighing, and limited operational hours, leading to inefficiencies and beneficiary dissatisfaction. The introduction of Grain vending machines addresses in 34 nos. district locations (Phase-I) by enabling:

- **Universal Access:** Compatible with integration valid PDS ration card or Aadhaar-linked e-Ration Card across India.
- **Efficiency:** Dispensing up to 50 kg of grains in multiple sizes under 5 minutes within acceptable error rate.
- **Transparency:** Biometric (Fingerprint/Iris) authentication integrated with POS systems for real-time tracking.
- **Sustainability:** Modular design, energy-efficient, and solar system compatible with UPS for remote/rural FPS.

Key Objectives of this Procurement:

- Overall better & smooth system integration for PDS supply chain.
- Deploy Grain vending/dispensing machine units initially across priority districts with scalability throughout state.
- Reduce PDS operational costs through automation.
- Enhance data analytics for better supply chain management via integration with existing system.
- Promote local manufacturing under Make in India by prioritizing indigenous suppliers.

- Integration with ePos Machine

3. SCOPE OF WORK

Interested bidders are expected to demonstrate capabilities in providing end-to-end solutions for Grain vending machine, including but not limited to Supply, Installation, Integration, training, operation and maintenance of infrastructure.
